If you are not already registered in the states procurement system known as MyFloridaMarketPlace (MFMP), please follow the instructions below:

All vendors interested in doing business with the State of Florida must register through MyFloridaMarketPlace (MFMP) and have a current W-9 on file.

STEP 1 Vendors can register at the link below or call MFMP directly at 1-866-352-3776 for assisted registration. Registration only takes a few moments.

STEP 2 Florida agencies will not be permitted to make payments to any vendor that does not have a verified Substitute W-9 on file with the Department of Financial Services. Vendors are required to submit a Form W-9 on the State's Vendor Website.

Contact the Vendor Management Section at (850) 413-5519 or FLW9@myfloridacfo.com if you have any questions regarding the Substitute Form W-9.

Please consider registering with our Florida Emergency Supplier Network (fast and free) so that the state or counties can contact you directly with a purchase order should we need the goods or services your company offers.
